## REMARKS

1. Claims 1-32 are allowed.

2. The following is an examiner's statement of reasons for allowance: After careful review of Appellant's Appeal Brief filed July 6, 2004, Examiner agrees that the prior art of record does not teach or suggest the claimed invention as argued in the brief, in particular with regard to the arguments made at pages 7-9 of the brief. The amendment submitted April 5, 2004 has been entered, and all rejections are withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

- 3. Regarding the drawings, as indicated on the attached PTOL-37, a corrected replacement drawing is required ("Formal" drawing) for the drawing correction submitted on December 26, 2004.
- 4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary J Portka whose telephone number is (571) 272-4211. The examiner can normally be reached on M-F 9:30 AM 6:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mano Padmanabhan can be reached on (571) 272-4210. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
